

BILLS ISLAND RULES AND REGULATIONS

1. The gate will be locked after entering or leaving the island.
2. No one is to be admitted unless they show a card or key. They should be referred to the Security Contractor.
3. The island speed limit is 20 miles per hour unless otherwise posted. Safety signs and speed limits have been installed for YOUR SAFETY and apply to all residents, visitors and contractors driving any moving vehicle.
4. All property, with the exception of the service roads, is private property. This includes private lots and driveways, whether or not improved. There will be no trespassing by motor-bikes, A.T.V.'s, motor vehicles or pedestrians.
5. **DOGS MUST BE KEPT ON A LEASH AT ALL TIMES.**
6. Outside campfires must be small, made in a pit or fireplace, and completely extinguished before you leave. Forest service fire regulations will prevail. Check with Security Contractor or Fire Marshall before you burn.
7. Leave no boat trailers or vehicles in the launching ramp area overnight - return them to your own property.
8. Dock at the launching ramp is to be used for loading and unloading only. There is to be no jet skiing or swimming, picnicking or water skiing near this area. Permission to have this dock next to the launching ramp is renewed annually and is subject to the above restrictions.
9. No shrubs or trees will be removed from beside the service roads.
10. Discharging of firearms is prohibited, with the exception of the use of shotguns along the shore for taking waterfowl in season.
11. Horses may be brought on the island during hunting season but must be corralled or staked on your property. Horses are not to be ridden on the roads or on any private property.
12. Residents must caution guests and children to keep speed down when snowmobiling. Cars have a difficult time seeing snowmachines coming around corners at high speeds.
13. These rules and regulations are general and will require your cooperation. Please let your guests and contractors know that they are expected to conform.
